GENERAL INFORMATION

WHO IS ELIGIBLE?

The Employee Assistance Plan is an add-on benefit for all State employees enrolled in a medical insurance plan. There is no separate premium for this plan, and it includes all dependents living in or outside of your household.

INSTRUCTIONS

No separate enrollment is required.

THE BENEFITS

The EAP benefits provide a variety of services including confidential counseling, legal and financial services, access to the Personal Advantage website, and 24-hour, toll-free access to crisis counselors.

CONFIDENTIAL COUNSELING

The EAP offers local, short-term counseling for a variety of issues including family, relationship, work stress, anxiety, grief, and other problems that may challenge you on a daily basis. You and your family members are eligible for up to four counseling sessions for each issue you encounter.

If a plan member involved in short-term counseling needs a higher level of care or long-term counseling, RBH will initiate a referral for the appropriate care. See your medical plan for coverage of longer-term services such as psychiatric care, chemical dependency, and longer-term counseling.

Traditional plan members will receive a better benefit for outpatient visits when they first obtain an RBH referral.

Managed care members do not need a referral to use RBH for short-term counseling needs. Please contact your plan adminis-

trator to determine referral requirements prior to receiving long-term benefits.

By utilizing the services provided by RBH, at no direct cost to you, the member, the plan also experiences cost savings, which are ultimately passed on to all of the plan participants.
